## Why participate in this event?

It is the most relevant international investment event in the Central American region. It is organized by the Guatemala Chamber of Industry together with the Government of the Republic of Guatemala, through the Ministry of Economy.

It will reunite investors, business leaderships from different parts of the world and entrepreneurs from different areas. With investment projects for US\$9 billion, in Public-Private Alliances and in public and private initiatives.

With over 2,000 participants from different parts of the world, among them, 250 investors and 700 business meetings, it will facilitate the opportunity to make strategic alliances and learn about investment projects, strengthening the integration of the region.

You will learn about country programs to be an inclusive, sustainable, territorial, innovative and globalized economy.
