

Dear Mr. Ruslán Spírín,

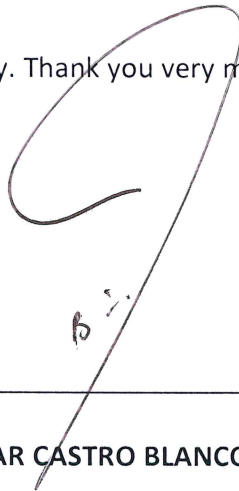

I am writing to let you know about my interest of doing bussines with Ukraine. I have a Steel trading company here in Mexico. Our headquarter office is in Culiacan Sinaloa, but I have 29 branch offices in four different states: Sinaloa, Sonora, North Baja California and South Baja California. We sell Steel material and hardware.

I'm looking for Steel suppliers from Ukraine. I'll be glad if you provide me some information about them so I can contact them.

Please feel free to contact my International Manager Chain Supply for any question:

- Miss Valeria Valle
- Office number: 01.66.77.58.90.50 ext.137
- Cell phone: 66.71.07.15.02

I shall be looking forward for your replay. Thank you very much.
