HAIR STYLING

# COCTAIL COLOR CREAM VERTICAL

Permanent hair coloring line (oxidizing hair dye) that nourishes your hair enabling equal color from the root to the ends, with providing intense shades and wisps. It excellently covers gray strands. All Vertical tones can be mixed with each other.

This color shade contains 79 tones formed with high-intensity colors, that enables you to get high-purity copper, red and purple tones on your natural and dyed hair (if possible, starting with dark blue shade).

## DISCOLOR BLANCH

DISCOLOR powder for hair bleaching , mixed with hydrogen , makes soft and smooth cream suitable for any bleaching technique.

DISCOLOR combines high degree of hair bleaching with protective measures:hair brightening is (thanks to a special formula) progressing on an intensive way ,without any hair damage or any impact on hair structure.

It is suitable for brightening your hair ,dyed with oxidizing hair colors (removing cosmetic colors).

Brighten your natural hair shade for more than 8 tones.

500 gr (1 lb) and 1000 gr (2 lb)

## SHINING COLOR

Semi-permanent hair color

Shampoo your hair without using conditioner , and do a towel dry .Put a cream on your hair and check if you have covered it all with the cream .Cover your hair with a foil paper and a warm towel or you may use a hood.Leave it that way for a while:

- 5 min for the worst intensity of dyeing
- 10 min for a bigger intensity of dyeing
- 15 min for a maximum intensity of dyeing

After the color action ,wash your hair well,withot using a shampoo and a conditioner,until the water is clear.After this,your hair is ready for styling.

## HYDROGEN WITH ARGAN OIL

HYDROGEN PEROXIDE In the form of a cream, with an argan oil ,provides ideal density for dyeing and bleaching,and regenerates your hair.

(1,9% , 3% , 6% , 9% , 12% )

# TREATMENTS AND SERUMS RED CAT

SMOOTH | SHELTER ANTISTATIC | MACADAMIA | ARGAN AID | SHINE ADDICT | AMAZING ONE 13 in 1 | RED PLEX-PROTEIN COMPLEX |

## SMOOTH

A cream with high performance for hair straightening.

The cream with high performance for hair straightening, rich in natural ingredients. Jojoba oil, wheat proteins, corn and soya proteins protect your hair. It straightens curls and protects your hair while styling and hair drying. Because of its active ingredients, your hair, even wet, has a shiny look

150 ml

## SHELTER ANTISTATIC

Warm, antistatic protection while hair drying and styling, and straightening

This antistatic hair protector protects your hair from a hair dryer and straightener. It leaves only the necessary amount of heat for desired styling. It hydrates your hair, making it shiny and glittering. It reduces the effect of curling hair.

Usage: Apply to a clean and wet hair. Before straightening hair, use the product for the tops of dry hair. Style your hair as desired.

200 ml

## MACADAMIA SERUM

Serum for maintaining texture and nourishing hair

The cream is for hair nutrition and care. It makes it soft, shiny, protects it from UV rays. Hair combing is easy and your hair is ready for styling. This serum is ideal and suitable for all hair types.

Macadamia serum does not grease your hair and it is suitable for implantation.

Usage: Apply small amount of the cream to wet or dry hair, equally along its length. It is recommended to use it before hair drying and styling. It is not necessary to wash the hair.

100gr

## ARGAN AID (MOROCCAN) TREATMENT

Drops with argan oil.

Nutritious hair treatment, rich in argan oil, designed for bad, damaged and chemically treated hair. It restores hair softness, gives it its natural shine, and accelerates its growth. If it is regularly used, it removes dandruff by controlling sebum secretion.

Usage: after you have washed your hair, apply a few drops on your wet or dry hair and rub it in.

50ml

## SHINE ADDICT

It prevents the action of static electricity and has preventive measures against hair breakage. It is ideal for all hair types. It makes your hair additionally shiny and soft.

Usage: warm a few drops between your hands and apply them equally to your hair.

70 ml
