

## UKRAINIAN EMBASSY , KUWAIT

Kind Atten : Mr. Commercial Attache

WE, Q EIGHT CHEMICAL SERVICE COMPANY, a company that deals in different industrial fields and is specialized mainly in the following branches:

- **PIPE LINING** : Rubber coating for different types and shapes of pipes, tanks and reservoirs to protect it from rust and corrosion, also for other industrial purposes . We do also special coating with other required materials .
- **Rubber Engineering Industries** : That deals with rubber material as a part of mechanical engineering industrial parts, or other kinds of parts that is completely rubberized.

We appreciate your assistant to guide us to the competent sources in your country to buy the following machines :

1) **1500 X 1500 mm Rubber Moulding Press :**

|                   |                                    |
|-------------------|------------------------------------|
| Height of Machine | = 2500 mm                          |
| Width of Machine  | = 2400 mm                          |
| Length Bed Size   | = 1500 mm                          |
| Frame Plate       | = 3 Nos – 50 mm Plate (Each)       |
| Cylinder Plate    | = 1 No – 120 mm Plate – 1500 X1500 |

- Top Plate = 1 No – 120 mm – 1500 X1500  
Heater Plate Top = 1 No - 60 mm - 1500 X 1500  
Bottom Plate = 1 No - 100 mm  
Heater Plate Bottom = 1 No - 60 mm  
8 STUD Rods ( Connecting Rods – Dia 50 mm with Nuts )  
9 Cylinder with 9 Top Bushes to Extend Height–Day Light Gap–500 mm.

**ELECTRICAL**

- Heater - 20 heaters  
Asbestos Sheets - 2 Nos  
Panel & Controller - 1 No

**POWER PACK (Common for Both)**

- 10 HPMotor  
Double Values  
2 Lines fittings  
9 hoses to connect Cylinder

**2) 750 X 750 mm Rubber Moulding Press :**

- Height of Machine = 2500 mm  
Width of Machine = 1600 mm  
Day Light Gap = 500 mm  
Cylinder Single = 500 mm Dia  
Top Plate = 100 mm

|   |         |
|---|---------|
| Heater Plate  | = 60 mm |
| Bottom Plate  | = 80 mm |
| Heater Plate  | = 60 mm |
| Cylinder Plate  | = 80 mm |
| 8 STUD Rods ( Connecting Rods – Dia 50 mm with Nuts ) |         |

**ELECTRICAL**

|                    |              |
|--------------------|--------------|
| Heater             | - 10 heaters |
| Asbestos Sheets    | - 2 Nos      |
| Panel & Controller | - 1 No       |

**POWER PACK (Common for Both)**

|                            |
|----------------------------|
| 10 HPMotor                 |
| Double Values              |
| 2 Lines fittings           |
| 1 hose to connect Cylinder |
